General Information

What is CPSA?

The CPSA Shanghai symposia and roundtables are highly interactive events where scientists share their experiences and visions in a collegial setting. The program will highlight speakers and sessions that provide real-world experiences with new technologies and critical insights into current issues and future needs. Education and specialized training are the foundation of all CPSA events.

Each session at CPSA Shanghai will address the current industrial landscape and the global need to bring products to market faster. The program chairs will promote discussion and exchange of experiences, ideas, and visions so that current processes that involve analytical measurement can be benchmarked and future strategies may be developed.

Goals

The goal of CPSA Shanghai is to provide in-depth review of innovative technology and industry practices through open discussion of industry-related issues and needs. The program will highlight speakers and sessions that provide real-world experiences with new technologies and critical insights into current issues and future needs. Education and specialized training are the foundation of all CPSA events.

Format

The CPSA Shanghai symposia and roundtables feature a unique format to allow scientists to openly share comprehensive perspectives on industry-related issues and needs. First-hand experiences with specific applications and technologies are openly discussed. Lively discussions in a collegial setting are a hallmark of the meeting.

Symposia Feature

Industry Issues & Needs · Analysis Strategies · Performance Benchmarks

Roundtables Feature

Commercial Technology · Mainstream Applications · Analysis Trends

Short Courses Feature

Practical Industry Applications · Fundamentals · Real-World Examples · Emerging Methods and Techniques

2015 Program Overview

Connecting the Dots:

Sharing Science Across Disciplines Helps Projects Progress

Broad-based awareness of the analytical sciences is achieved through open discussion with industry leaders. This unique event is made possible by sponsors who are dedicated to promoting awareness and understanding of the analytical sciences with the hope of inspiring significant advances in the field. Symposia topics and discussions for CPSA Shanghai include:

- Preparing for a Successful First Into Man (NCE Perspective)
- Traditional Chinese Medicine and Natural Product Research
- New Technologies in Early Bioanalytical Support
- New Technologies for ADME
- How Can Clinical Pharmacokinetics and Bioanalytical Work Together to Contribute to Mutual Success
- Bioanalysis of Chinese Medicine
- Technology Developments: Application of Mass Spectrometry for Protein and Peptide Analysis
- Preparing for a Successful First Into Man (NBE/Biosimilar Perspective)
- Developing Smart DDI Strategies for NBE and NCE
- New Technology - Anything Goes!
- Global Regulated Bioanalysis: Looking Into China from the Outside
- Microsampling Beyond DBS
- Poster Session
- Young Scientist Excellence Awards
- CPSA EXPO - *Where Technology and Solutions Meet!*
- Joint sessions with local area bioanalytical and metabolism discussion groups
-

...and much more. Visit www.cpsa-shanghai.com for more information and up-to-date program announcements.

Exhibition

Building on the success of past CPSA expositions, CPSA Shanghai 2015's Expo will expand to put attendees in direct contact with even more of leading industry vendors having in-depth knowledge of technology and applications.

Parallel Sessions

CPSA Shanghai features a parallel symposia format, providing attendees with even more options to meet their fields of interest.

Call for Papers – Abstracts due March 20

Abstracts are being accepted for the 4th Annual Shanghai Symposium on Clinical and Pharmaceutical Solutions through Analysis (CPSA Shanghai 2015). Please visit the CPSA Shanghai website at www.cpsa-shanghai.com for submission information.

- Abstracts must be received by March 20, 2015
- Maximum length is 350 words

A sample abstract is available at www.cpsa-shanghai.com as a guide for format. Please visit the conference website for more information!

Registration

Registration for CPSA Shanghai is now open. Please visit the conference website for more information and to register at www.cpsa-shanghai.com.

Conference Registration

Pre-Registration: January 1 – April 2, 2015

On Site Registration: After April 2, 2015

Payment Methods

Check *(Must be drawn on US bank)*

Credit Card: American Express, MasterCard, Visa accepted.

Wire Transfer: Contact info@milestonedev.com for additional information on wiring payment

Full payment will be due upon conference registration

Hotel Registration

A special CPSA Shanghai rate will be available for attendees of CPSA Shanghai at the conference hotel, The Renaissance Shanghai Pudong Hotel (www.renaissancepudong.com). Check the CPSA Shanghai website for more information and for online reservation booking.

CPSA is User Friendly!

CPSA attracts sponsors, thought leaders, and participants who are dedicated to the spirit of cooperation to achieve common goals. Imagination needed.
